

FOCH IN BOSTON HAS BUSY DAY

Receives University Degrees and Visits Spot Where Washington Took Command of Army.

BOSTON, Nov. 14.—Marshal Foch was the guest to-day of Greater Boston. A gold medal was presented to him by Gov. Cox and a key to the city by Mayor Peters. Honorary degrees were conferred on him by Harvard and Boston Universities and Boston College.

At Boston College the degree of doctor of laws awaited him. The exercises were so timed as to permit him to return to the city as the guest of honor at a luncheon given by the city and the American Legion at the Copley-Plaza Hotel.

In the afternoon there was a parade of World War veterans in his honor, after which the Marshal departed for Cambridge to receive the degree of doctor of laws from Harvard University. At the Washington club, under which Washington took command of the Revolutionary Army, he was to be given a gold watch and chain, subscribed by New England folk through the Boston Post.

In the evening Boston University will bestow upon him the first honorary degree ever conferred by the university—a doctorate of laws.
